

## Lake Latonka POA Board Update October 2020

This is a monthly summary of Board activities for our 650 Members. We are excited to welcome Kelly Konkle and Mike Richey to the Board, and welcome back Tom Rizzo! Thanks to all of the candidates, and to Members who took time to vote. Special thanks to Graig Filer and Mike Turton for their service on the Board!!

**Reminders:** Please do not park vehicles on roadways to allow for snow removal, do not dump leaves on LLPOA property or the lake, and wear reflective clothing and/or lights if walking or biking in the non-daylight hours.

**Healthy Lake:** Keeping the lake healthy is critical to our community and an ongoing challenge. It is a complex issue that requires a multi-prong approach. Summaries of the latest reports by Princeton Hydro, our Lake consultant are available on the website. We expect their recommendations over the next couple of months.

**Lake Safety:** We received and are considering feedback on our plan to add additional buoys around the lake next year.

**Financial:** Jim Hart reviewed the attached YTD finances at the October meeting. The Board and staff continue to work on the 2021 budget that we plan to share it with the Members and approve it on December 10.

**Rules:** We reviewed the proposed rule changes at a virtual town hall on October 25. Thank you to those that provided feedback via email, in person, and at the Town Hall. We will send out revised rules to the Members prior to the December 10 when we will consider adoption.

**Ice Rink:** We are getting close to raising the money needed for the installation of the 30' X 60' ice rink near the Barn. We would like to thank the Social Club for their \$3,000 donation and the Women's Club for their \$500 donation. Please consider making a donation of any amount.

**Other:** We acquired lots 721 & 722 in lieu of back dues. Our website provider gave us notice that they will no longer be supporting us so we will be transitioning over the next couple of months.

Thanks for the role so many of you play in helping to making Lake Latonka special. There are so many examples of this often enumerated in the Latonka News including in reports by the Social Club, Fish Club, Women's Club, Latonka Players, Garden Club, etc.

Please provide suggestions or feedback to us at meetings or when you see us at the Lake or email the office: [office@lakelatonka.org](mailto:office@lakelatonka.org) to get us a message.

**LLPOA Board of Directors:** Chuck Becker, John Chamberlain, Graig Filer, Glenn Graeves, Jim Hart, Denis Meinert, Tom Rizzo, Garth Stewart, and Michael Turton
